

Original Version

Barclyne was my first school in Singapore. I have been in Barclyne for a year and the staff and students of this school are really warm.

What's more, it has enthusiastic teachers. If you have any problem, you just ask them and they will help you to work it out.

Barclyne is an impressive school that makes you feel at home. It also provides plenty of activities, therefore you can join whichever you want and hone other essential skills and qualities.

I have learned a great deal of things from it which cannot be found in textbooks.

Thank you, Barclyne for a comprehensive learning experience.
